DCI covered Colombo Conf & read from
ny H-J article on Ali - Nehru clash -
said much relief at Nehru's not being
able to get his 5 Pt. Program through -

Covered ~~of~~ Sov Type 37 armed jet
sightings quite briefly but in enough
detail to get the story across. Radford
said he'd talked with Turing - considerable
concern ^{whether} that we had ~~as~~ greatly under-
estimated Soviet air capabilities - were
going to take a new look at the Soviet
air picture -

Covered DC tac sit very briefly but
read in full my notes on Cognac - Navarre
exchange - + later, during discussion,
read P in NDC 4/26 re US intervention
Read Estimate Conclusions (NIE 63-54)
Radford felt this ~~too~~ much too optimistic
